

# Thameside Putter's Golf Society

AGM Minutes – 2021 Season

---

## WHS Adjustments

---

The option of adopting this was rejected by the members.

## Ryder Cup

---

This annual event against RHGS has caused problems with the imbalance of members in each society, so to overcome this, qualification points will be awarded starting from the meeting after the Ryder Cup to the meeting prior to the next Ryder Cup. It will be the average stapleford score from the players best five games during the period, including official TPGS Tours.

There is an 'Opt Out' option if you qualify.

RHGS has requested that we pair the players in the Ryder Cup according to the players handicap, e.g., highest handicap with highest handicap etc., but after a discussion, the members rejected this proposal and continue with the random pairings.

## Raffle

---

Three proposals were offered to the members, but these were rejected, but a proposal by Stewart Hayden for High/Low Pairs was unanimously agreed. The total prize money would be £100.00, £25 for each winning player.

There would be a cost of £5 per player, but this would be at the discretion of the Treasurer. This competition would be organised by Stewart Hayden.

## AOB

---

No further discussion took place, and the meeting closed at 20:30.
