

AGM Minutes 2023

High Scores

- a. After a discussion, the current system of one shot cut for each and every shot of 38 points would remain, e.g., so if a player scores 39 point they would be cut two shots. This is irrespective of what position the player finishes in the field.
- b. Also, a score of 25 and under would continue to be a one shot added to the players TPGS handicap.
- c. It was also agreed that we would continue with a four shot maximum cut rule.

Two Shot Penalty Rule

As there has been some confusion in the society concerning the Out-of-Bounds rule, it was agreed that the player will return to where the shot was played and take another shot, unless a provisional ball has been played.

Player of the Year

After a discussion it was agreed to continue to use the best 6 games in the season to determine the Player of the Year.

2024 Tour

The Official TPGS Tour would take place on the 17th and 18th of July 2024 at East Sussex National. Two rounds of golf, dinner, Bed and Breakfast, £189.00 for a twin sharing and £250.00 for a single room.

Ryder Cup

After a short discussion, the system for selection would remain for this season.

Exiting Captain

The Charmain put on record his thanks for the effort and significant contribution made during the 2023 season and much appreciated by our membership.

The meeting closed at 9:00pm
