## Handicaps

After a long discussion it was proposed that TPGS would adopt the WHS Index system and members not having a WHS Index would acquire this membership in 2025. For 2025 only, TPGS would use the existing society handicap method, as well as the WHS method for personal use. Stewart Hayden, Gary McCarthy and Dan Slade would form a handicap sub-committee to ensure this joint handicap system worked correctly. From 2026, all members and new members will have to have a WHS index.
